School Administrator Salary Disclosure Form

Form Due May 11, 2015

2015-2016 Salary 1

In response to legislative efforts to encourage greater cost sharing in service provision and local government administration, we now provide administrative staff to highlight these efforts for the upcoming school year. Each sharing district should identify in the form the district(s) with which they will be sharing administrative staff for school year 2015-2016.

If you will be sharing a Superintendent, list the other district (or districts) in the text box. If you will be sharing other administrative staff, please send an email to EMSCMGTS@nysed.gov indicating the title of the staff persons(s) as well as the other district(s) involved in the cost sharing.

The salaries, benefits and other compensation reported in the form should reflect only the financial support or commitment that your district is making. They should not reflect the total amounts budgeted to be paid by all participating districts over the school year.
